Geometric paper lantern

Cut the outline and the four star windows (dashed). Fold on the dotted lines, glue the tab inside.
Optional: glue tracing paper behind the windows. Stand it over an LED tea light. LED lights only, never a candle.

PatternSouk · personal and classroom use · print on card at 100% (actual size)

Geometric paper lantern (to colour in)

Cut the outline and the four star windows (dashed). Fold on the dotted lines, glue the tab inside.
Optional: glue tracing paper behind the windows. Stand it over an LED tea light. LED lights only, never a candle.
